Naturally Sweet

Beechworth Honey has launched its natural beauty skincare range, which contains honey's healing, replenishing and cleansing properties, perfect for expecting mothers. Including hand creams and body moisturisers, the collection is priced from \$16.95. Every product sold contributes to saving Australia's honeybees through the Bee Cause program for young people. Available at Woolworths and online at www.beechworthhoney.com.au.

Nap Nest

Studies have shown that babies sleeping in or on merino settle quicker, sleep longer, feed better, cry less and gain weight faster than any other fabric or fibre. Eco Peko's Merino Nest Pillow (100cm x 80cm), \$389, is made from ultrafine merino wool with an inner pillow made from cotton and filled with recycled PET bottle fibre, which is hypoallergenic.
